EDUCATION

B.Tech — CSE

Govt. College Dharamshala

2022 – Present

Diploma — CSE

Govt. Polytechnic, Sundernagar

2017 – 2020

12th — Non-Medical (PCM)

Mandi, Himachal Pradesh

2021

LANGUAGES

Python	C++
JavaScript	HTML/CSS
MySQL	

FRAMEWORKS

React	Flask
Pandas	NumPy
Matplotlib	Seaborn
TensorFlow	OpenCV
NLTK	Scikit-learn

ML / AI

CNNs	NLP
Feature Eng.	Supervised ML
Unsupervised ML	Model Eval.

DEV TOOLS

Git	GitHub
VS Code	HuggingFace
Render	SQL Workbench
Arduino	

DESIGN

Canva	MS Excel
UI/UX	SEO
Google Analytics	Social Media

EXPERIENCE

Data Curation Intern

NIELIT, Ropar — National Institute of Electronics & IT

June–July 2025

- Curated and cleaned multi-source datasets using Pandas & NumPy; visualised results with Matplotlib and Seaborn.
- Engineered features and preprocessed pipelines to accelerate ML/DL model training and evaluation.

Complete Python Bootcamp — Certified

Udemy (Online)

June 2024

- Mastered Python from basics to advanced OOP, automation, data handling, and problem solving.

TECHNICAL PROJECTS

Traffic Sign Recognition

Python · TensorFlow · CNN · Tkinter

Trained CNN on 40+ sign categories with Tkinter GUI for real-time upload and inference.

Smart Weather Forecasting

Python · REST API · Matplotlib

Real-time & 7-day forecasts with interactive trend charts via OpenWeatherMap.

My AI Advocate

React.js · Firebase · LLM API

AI chat assistant with context-aware replies & Firebase Auth + Firestore persistent history.

Desktop Voice Assistant

Python · SpeechRecognition · pyttsx3

Voice-controlled assistant for web search, app launch, and task automation.

DGSP Community Portal

UI Design · Content Curation

UI design and content curation for Digital Gram Samadhan Portal feedback system.

Professional Portfolio

React.js · Full-Stack

Showcased technical skills, 3D printing examples, and full-stack project demos.

INTERNSHIP HIGHLIGHTS — NIELIT

MS Excel Photo Design

- Branded header & central group photo
- Row-wise image mapping table (IMAGE to IMAGE 1>)

Canva Graphics

- Digital designs, flyers & posters
- Social media content for initiatives

DTE Punjab Analytics

- Teacher training data visualization
- Attendance analysis using MS Excel

ICT Teacher Training

- Resource development & content creation
- Training modules on ICT & digital initiatives

Portfolio Showcase

- 3D printing examples & demos
- Full-stack development focus

Portal UI Design

- UI for DGSP feedback system
- Content curation & structure planning
